1 ----- Monday
2 ----- Tuesday
3 ----- Wednesday
4 ----- Thursday
5 ----- Friday
6 ----- Saturday
0 ----- Sunday

0087 = 87th Unit Tested.

At the beginning of each test day, units are tested starting at 0001 and continue in numerical sequence until the last unit of the day is tested. The numerical sequence does not necessarily pertain to one specific product, but for all product tested in the course of the day as specified in SOP 3-001.
