

ACI TERMS AND CONDITIONS

The Following Terms and Conditions shall supercede any and all other terms and conditions unless a signed agreement, between both parties, is reached taking exception to them.

All ACI items are made to order, therefore, all credit card orders will be billed the date the order is placed with the factory. For customers who have applied for and have been approved for credit, payment for service is Net 30. Net 30 payment terms require payment of all charges within thirty (30) days after the invoice date (unless other arrangements have been reached, in writing.) A late payment fee on past due balances (including, without limitation, any previously assessed but unpaid late payment fees) will be 1.5 % of the total past due balance, to be assessed monthly. Each late payment fee will be due and payable within seven (7) days following the statement date that reflects the assessment of the late payment fee. The late payment fee is in addition to any collection costs than may be incurred by ACI in the final collection of funds owed to ACI. Neither the assessment, nor the payment of a late payment fee shall:

- (a) affect the customers' responsibility to pay all funds owed to ACI; or
- (b) In any manner, preclude ACI from exercising any of its rights or remedies hereunder or under applicable law.

Additionally, Accounts unpaid after 46 Days may be placed on credit hold. Accounts unpaid after 60 Days, no orders will be entered and no shipments will be made until account is brought current. After 90 days, no further credit will be extended.

FREIGHT CHARGES

Freight charges, plus a handling fee, if necessary, will be prepaid and billed unless otherwise specified. All shipping charges, COD charges, bank fees, and currency exchange fees are the responsibility of the buyer. Any specialty documents required will be billed at par, i.e. international documents. LEAD TIMES AND MINIMUMS

Orders will customarily be acknowledged with factory committed ship dates within eight to ten (8-10) business days of receipt of the order.

To expedite delivery sooner than quoted lead times, additional expedite fees will apply. For new designs, the lead-time commences only after ACI has received the specification and 1st article approval, and the purchase order.

ACI has a 50 piece minimum order and/or release for orders of custom parts, and a \$50 minimum charge per order.

All Purchase Orders submitted without a designated ship method will be shipped UPS Ground on the customers account, if that information is available, or prepay and add if the information is unavailable. The ship method can be modified any time before the order has been shipped from ACI, Tully, NY.
